

# CTI27

## Climate controller with timing and alarm. 6/15/25A

### DETAILS

- It allows to manage ventilation, heating or cooling, timing and alarm.
- It includes a relay for the auxiliary contact to control ventilation or heating.
- Alarm relay.
- Ventilation can be programmed with timing.
- The power output can be configured to control a cooling or a heating system.
- It allows to adjust a desired bandwidth.
- Power triac available in: 6A / 15A / 25A

### TECHNICAL SPECIFICATIONS

REFERENCE	CTI27
INPUTS	1 Temperature probe
OUTPUTS	2 Relays 1 Power output: 6A / 15A / 25A 1 (0-10V) outputs
VOLTAGE	230 V
MEASURES	181x247x106 mm (6A) 181x272x106 mm (15A) 181x287x106 mm (25A)
IP PROTECTION	IP55
NORMATIVES	89/392/EEC – 73/336/EEC – 73/23/EEC
