

CTI30 C2 | Climate controller 6/15A

DETAILS

- It allows to manage ventilation, heating, cooling, alarm, timing, split ventilation, curves, lighting and counter.
- It has 2 clocks and 1 counter.
- Built-in split ventilation system (for 2 fans or 2 group of fans).
- It includes a relay for the auxiliary contact to control ventilation or heating.
- It has timing function for ventilation, heating, cooling and auxiliary contact.
- It has 6 ventilation stages.
- The power output can be configured to control a ventilation system or a heating system.
- Power triac available in: 6A / 15A

TECHNICAL SPECIFICATIONS

REFERENCE	CTI30 C2
INPUTS	4 Temperature probes 1 Humidity probe 2 Digital inputs
OUTPUTS	9 Relays 1 Power output: 6A / 15A 3 (0-10V) outputs
VOLTAGE	230 V
MEASURES	226x195x106 mm (6A) 226x220x106 mm (15A)
IP PROTECTION	IP55
NORMATIVES	89/392/EEC - 73/336/EEC - 73/23/EEC
